What can we shred?

Security shredding isn't only confined to paper. We can shred CD's, DVD's, Video's, Tapes, Mobile Phones, Hard Drives, Uniform & Clothing*, and many other products.

What happens to the shredded paper?

The shredded paper is sent to the paper mill, where it is processed back into paper products such as paper towels and tissue paper.

Does Shred Easy offer one off collections or do I have to be a regular customer?

Shred Easy understands that document destruction is not needed all of the time. We are happy to dispose of documents regularly or on an as and when required basis.

Do I have to remove staples, paperclips and binders?

No, our shredders will handle all of these items with ease.
